

Mr. Fitts:

JJ Hitchcock called at 0930 on 17 March with this message:

Adm. Bowen, Messrs. Vance and Morrison have scheduled a meeting with JJ, Adm.

Showers and you for Monday, 20 March, at 2:30 pm. Meeting will probably be at the Pentagon.

Subject will be CIRIS. ASDI will present their objectives in a management information system and their needs for numbers during the programming cycle. It will be up to us to show the extent to which CIRIS can meet those objectives.
